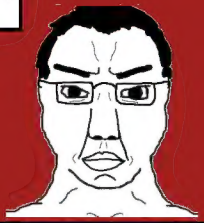
Your name's George Smile? That's the same name as that famous lawyer!

He. Is. That famous. Lawyer.

Kelvin!
Shut the fuck up!

Holy shit!
I can't believe I'm actually friends with George fucking Smile!



You wanna know something really cool? I actually own this property which includes the Toys for Tots and the porn store next door.

I swear to God George!
You might be my boss' landlord but if you talk about that fucking hammer store again I'm taking a hammer and shoving it right up your fucking ass!

So anyway, in '95 I opened a hammer store in this building called Hammer Store but I had to close it in '97 because sales were absolute shit.

It's because you only sold hammers dipshit! God you suck so hard at capitalism you wouldn't last a day in Ancapistan!

So the manager of this place, Dewey, he's originally from Michigan, place called Alma, ran the only straight bar in town. Turns out there's not a lot of straights in Alma so that place flops hard. He comes over to Cleveland to open up a new bar.

So I'm sitting here with a vacant building and Dewey needs a place to set up shop, right? Around the same time I was banned from my old bar for booze-cruising through their east window. So I lease the place to Dewey for free on the condition that I can never be banned.

I miss the old. Bar. The waitress had. Some big. Ass honkers. And a. Pen.is.

You see though, when I bought the property it came with way more square feet than I need. So my hammer store had this big-ass lawn. Now I know Dewey doesn't need that lawn so I have two buildings built next door then I lease them to Sex World, LLC and the Salvation Army. Boy was the Salvation Army not happy about having a sex shop nearby though.

You guys ever shop at the porn store next door?

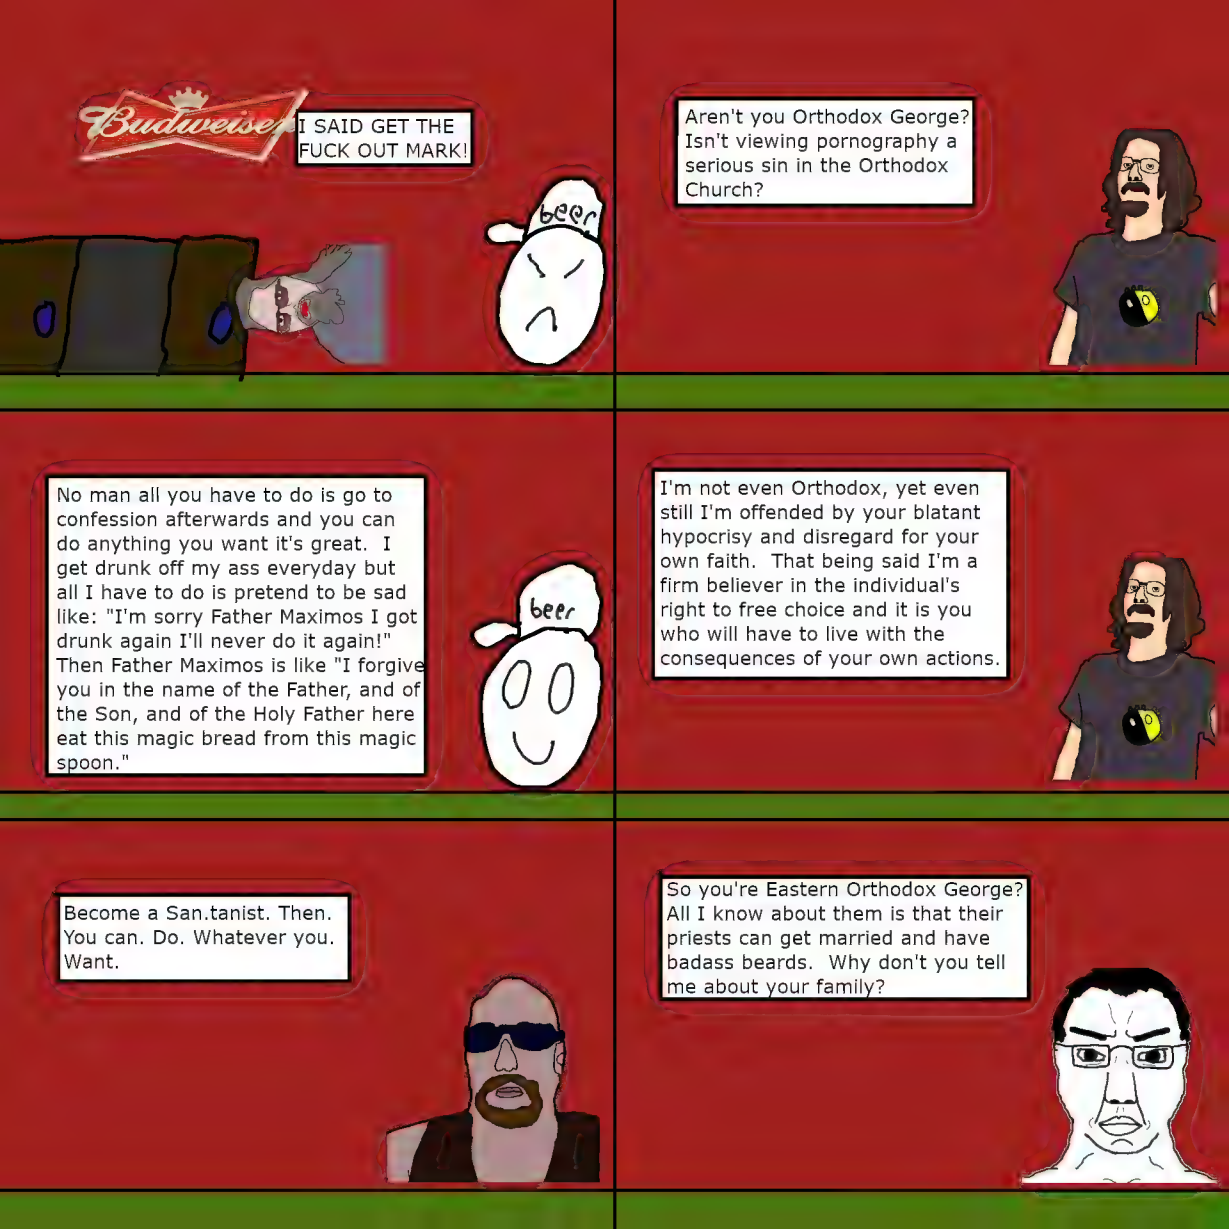
No nudes. Teasers. Only.

I, for one, am a happily married man but it's none of my concern what consenting adults do with their lives.

Hell yeah man I love porn!

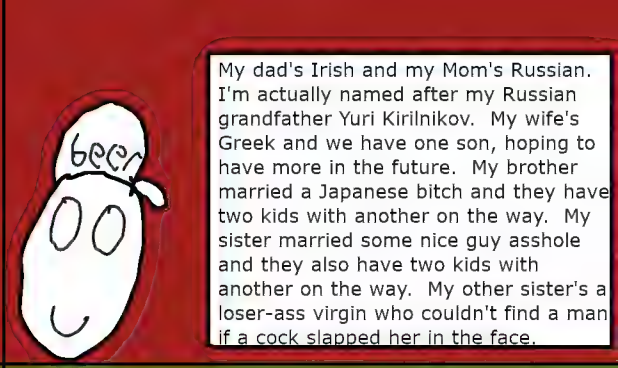
Their selection is decent enough but I'm bi so I wished they carried gay stuff.

I asked the cunt at the register where I could find some CP but she fucking called the cops on me so I punched that bitch in the titties and ran like hell.



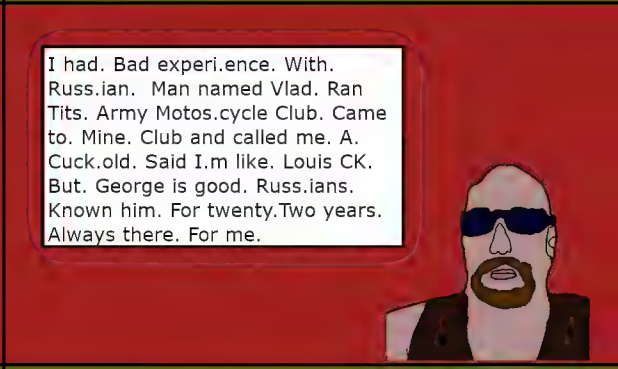
Budweiser
I SAID GET THE FUCK OUT MARK!
beer
Aren't you Orthodox George? Isn't viewing pornography a serious sin in the Orthodox Church?
No man all you have to do is go to confession afterwards and you can do anything you want it's great. I get drunk off my ass everyday but all I have to do is pretend to be sad like: "I'm sorry Father Maximos I got drunk again I'll never do it again!" Then Father Maximos is like "I forgive you in the name of the Father, and of the Son, and of the Holy Father here eat this magic bread from this magic spoon."
beer
I'm not even Orthodox, yet even still I'm offended by your blatant hypocrisy and disregard for your own faith. That being said I'm a firm believer in the individual's right to free choice and it is you who will have to live with the consequences of your own actions.
Become a San.tanist. Then. You can. Do. Whatever you. Want.
So you're Eastern Orthodox George? All I know about them is that their priests can get married and have badass beards. Why don't you tell me about your family?

I'm gonna go take a shit, be right back.

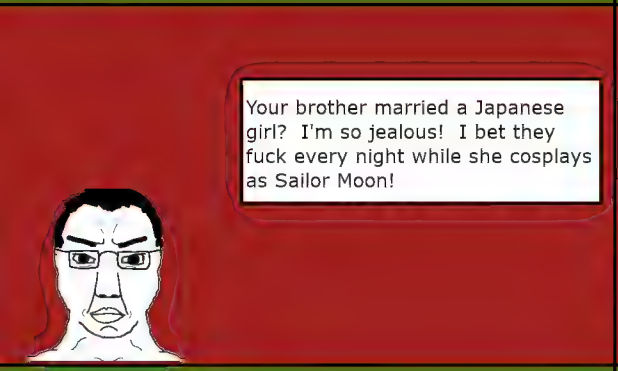


beer
My dad's Irish and my Mom's Russian. I'm actually named after my Russian grandfather Yuri Kirilnikov. My wife's Greek and we have one son, hoping to have more in the future. My brother married a Japanese bitch and they have two kids with another on the way. My sister married some nice guy asshole and they also have two kids with another on the way. My other sister's a loser-ass virgin who couldn't find a man if a cock slapped her in the face.

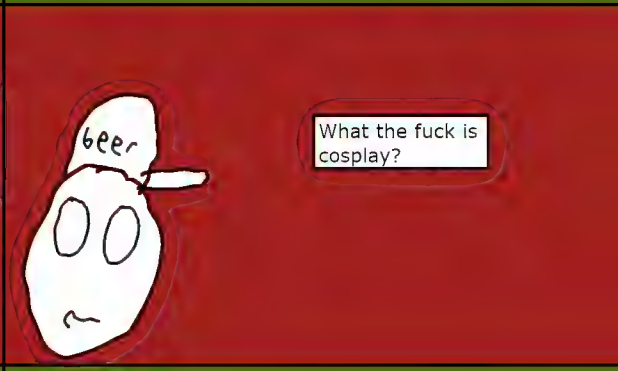
beer
My sister-in-law's a dyke and my brother-in-law wants to fuck her girlfriend or something but he's afraid to admit it because she's black.



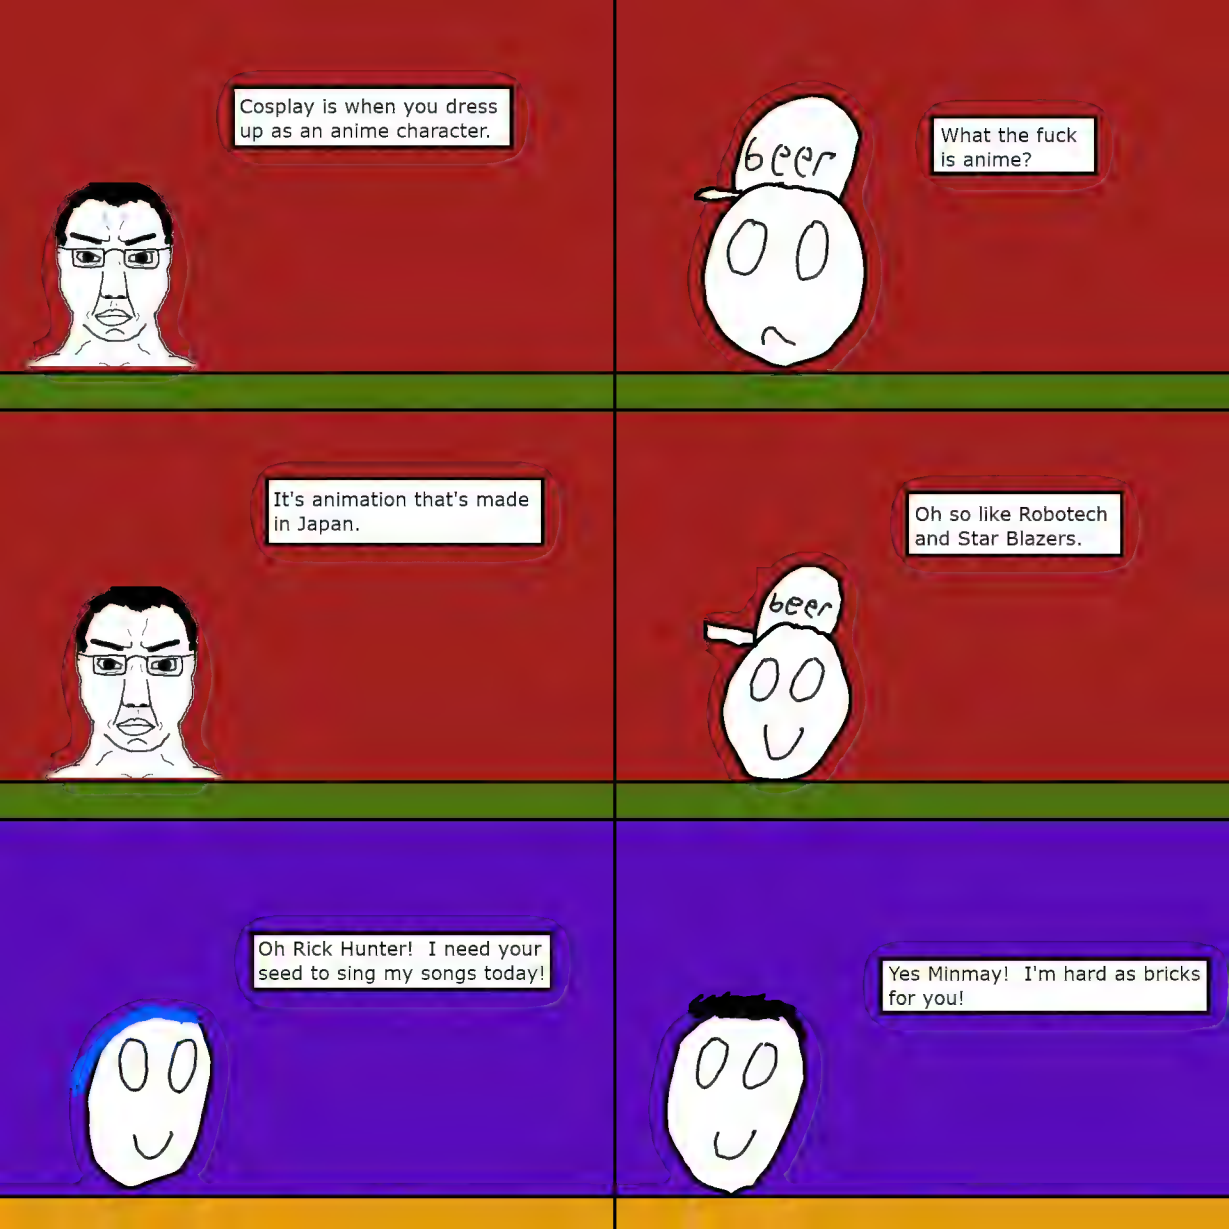
I had. Bad experi.ence. With. Russ.ian. Man named Vlad. Ran Tits. Army Motos.cycle Club. Came to. Mine. Club and called me. A. Cuck.old. Said I.m like. Louis CK. But. George is good. Russ.ians. Known him. For twenty.Two years. Always there. For me.



Your brother married a Japanese girl? I'm so jealous! I bet they fuck every night while she cosplays as Sailor Moon!



beer
What the fuck is cosplay?



Cosplay is when you dress up as an anime character.

beer

Hey George, what can I do for you?

beer

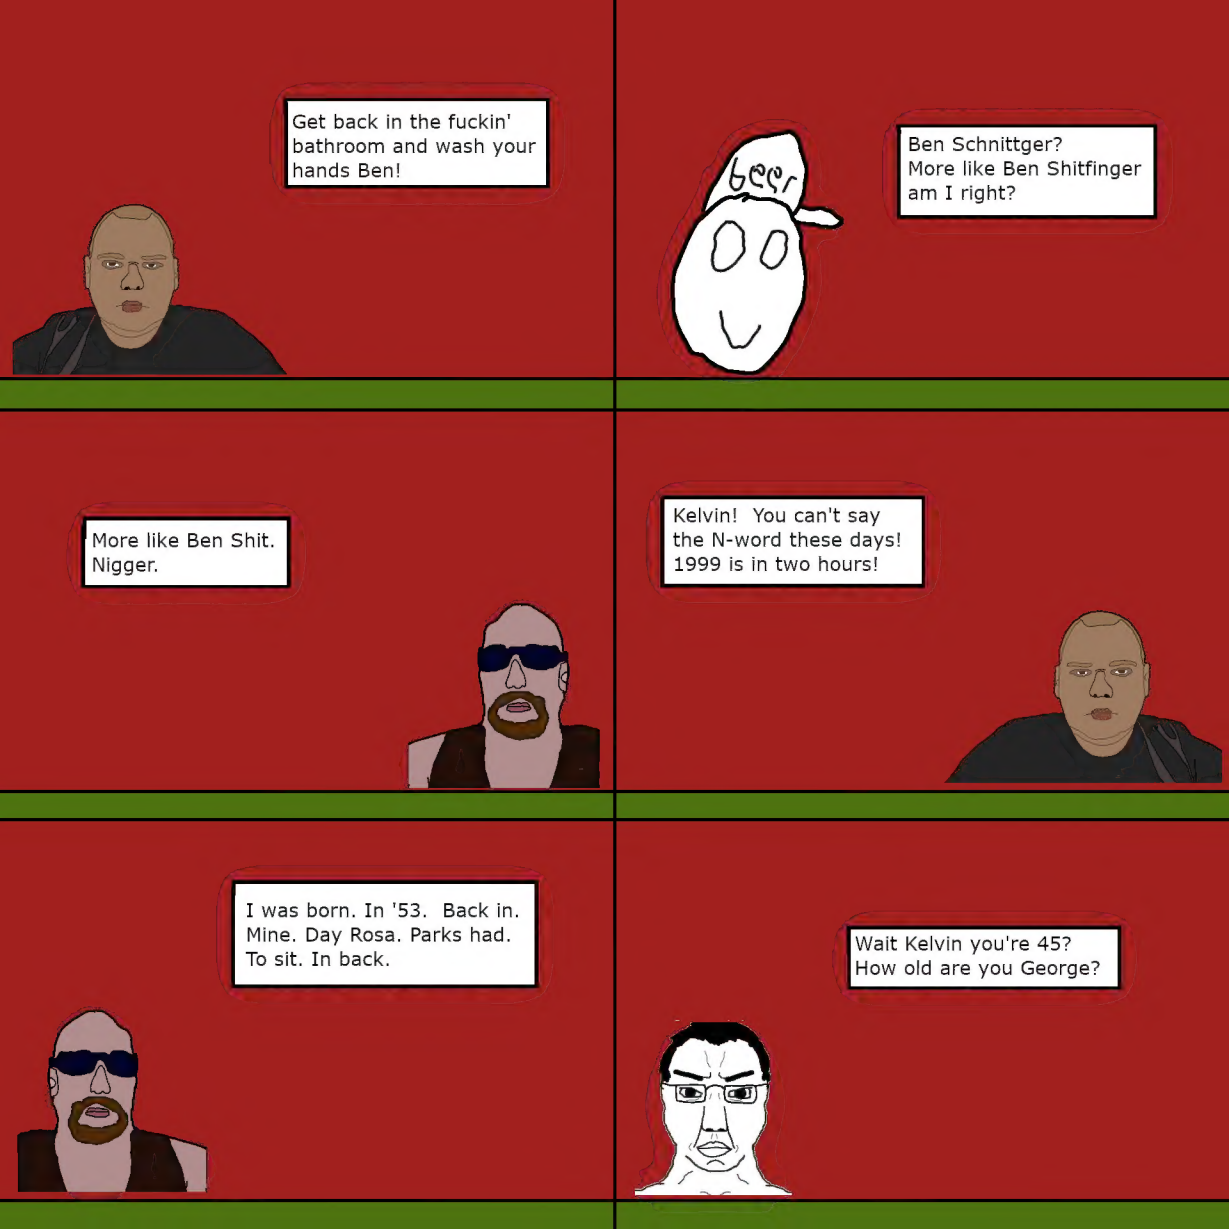
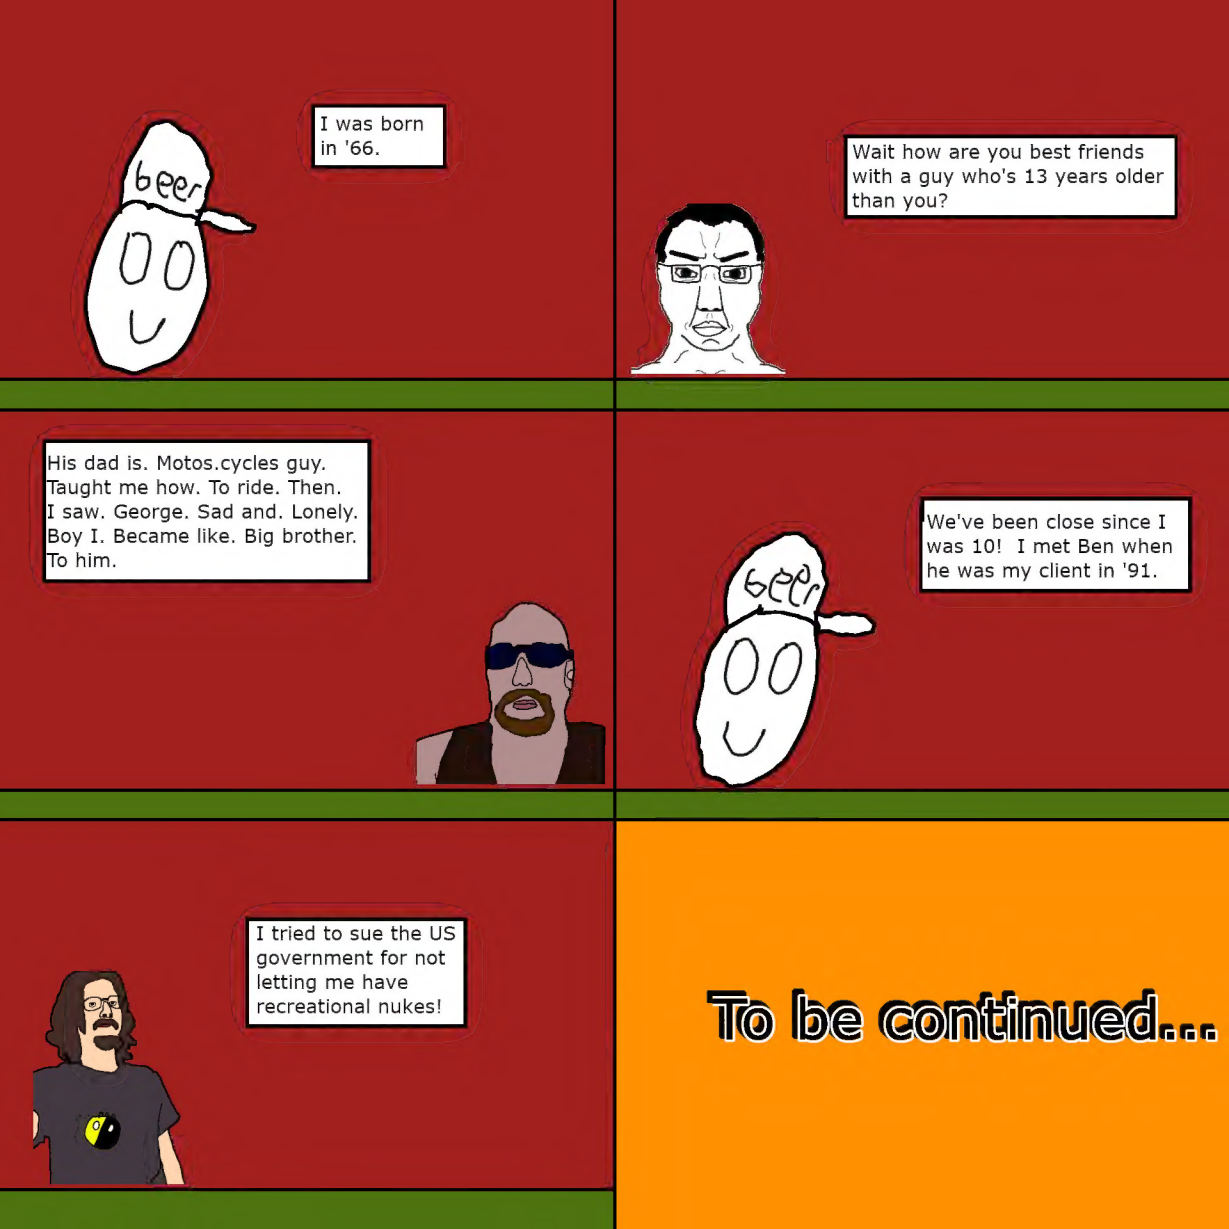
One more question. Do you and Chris have sex in cosplay?
beer
Our love life is none of your business George!
Dude they totally bone each other in cosplay.
Whew, that was a fat shit. What'd I miss?

Hey Ben, what's that on your shirt?
This is my original character Anarchyball.
What the fuck is up with your finger?
The toilet paper Dewey buys isn't very high quality so I had to dig deep.
He got doo. Doo. On hims. Hands.



Get back in the fuckin' bathroom and wash your hands Ben!
beer
Ben Schnittger? More like Ben Shitfinger am I right?
More like Ben Shit. Nigger.
Kelvin! You can't say the N-word these days! 1999 is in two hours!
I was born. In '53. Back in. Mine. Day Rosa. Parks had. To sit. In back.
Wait Kelvin you're 45? How old are you George?



I was born in '66.
beer
Wait how are you best friends with a guy who's 13 years older than you?
His dad is. Motos.cycles guy. Taught me how. To ride. Then. I saw. George. Sad and. Lonely. Boy I. Became like. Big brother. To him.
We've been close since I was 10! I met Ben when he was my client in '91.
beer
I tried to sue the US government for not letting me have recreational nukes!
To be continued...
